### 1 Day Jeep & Camel Tour

This tour is similar to the [Full Day Tour](#) , except that it includes an extensive camel ride.

The **Full Day Jeep & Camel Tour** starts with a 1.5h camel ride in Rum village. We will take time that you familiarize with your animal and learn how to climb up. Then, a guide will walk you from Rum village to the **Nabataean Temple**, which is located behind the Guest House. When you arrive there, you have some first experience with camel riding and are ready for a longer march towards

#### **Lawrence Spring**

. To get there, you have to leave Rum village behind and walk far into the desert. In order to find the spring, you need to climb up a small hill. You will continue the tour by jeep.

First, we drive to the **Ancient Inscriptions** and proceed further to **Lawrence House**. Next, we drive to the

#### **Burrah Canyon**

, where we drop you off with a map. You can hike in the canyon for up to two hours. When you return from the hike, you have lunch.

After the break we continue to the **Burdah Mountain**, where you can see the big bridge from the ground. After that we go to **Umm**

#### **Fruth Rock Bridge**

. We will climb the bridge for about 20 minutes. Next comes the

#### **Small Arch**

, which we will climb, too. The next station is

#### **Khazali Canyon**
